

# Here's the Scoop....

## We need Volunteers!

The Adams County Cancer Coalition welcomes you to volunteer with us.

**Meetings:** The first Tuesday of the month at 5:30 at the Shacka Shack in Monroe. (no meeting in December) We would love to have new people and new ideas.

**Volunteers:** We have several fundraisers throughout the year. Often just volunteering a couple hours is a HUGE help to us! We welcome adult and student volunteers.

The Adams County Cancer Coalition is a not for profit organization created to help Adams County individuals and families who need assistance while they are battling cancer. We provide financial assistance for any needs that are cancer related. We also provide random acts of love to individuals who do not apply for funding but who are having treatments.
